Above as % of tenants	42%	42%
<b>Owner 1-family households, non-farm, non-reserve, without extra persons</b>	500	623,225
Average owner's major payments	\$647	\$840
Owners major payments spending 30% or more of hh income on shelter	75	111,685
Above as % of owners	15%	18%

Data presented in this report are subject to suppression and random rounding in order to preserve the confidentiality of respondents to the census. The effect is significant in areas with little population or where a particular category drew few responses.

The census is a rich source of demographic data for even small communities, at five year intervals. The information presented here is drawn from a large dataset. Other variables are available by request on a fee for service basis.

### Notes

**Population** - effective for 1991 & 1996 Census, non-permanent residents included in total population.

**1991 Census population** - based on 1996 boundaries.

**Family** - refers to two or more persons living in the same dwelling, related to each other by blood, marriage, common-law or adoption.

**Experienced labour force** - includes persons who worked since Jan 1, 1995 and who were employed or unemployed during the reference week.

**Non-movers** - on Census Day were living at the same address as one or five years previous.

**Non-migrant movers** - lived at a different address but in the same census subdivision (CSD).

**Average** - or arithmetic mean is calculated by dividing the sum of included categories by the number of included categories.

**Median** - an alternate measure of 'averageness'. Median income of a specific group is that amount which divides their income size distribution into two halves (below and above the median).

**Incidence of low income** - the percentage of a specific group below Statistics Canada's low income cut-offs (LICO).
