## BRITISH COLUMBIA BUILDING PERMITS BY TYPE

### RESIDENTIAL

Permits issued for new dwellings and alterations and improvements to existing dwellings.

### NON-RESIDENTIAL

Divided into three groups as follows:

***Industrial:*** Includes buildings used for manufacturing and processing; transportation, communication and other utilities; and agriculture, forestry, mine and mine mill buildings.

***Commercial:*** Includes stores, warehouses, garages, office buildings, theatres, hotels, funeral parlours, beauty salons and miscellaneous commercial installations.

***Institutional and Government:*** Includes expenditures made by the community, public and government for buildings and structures.

### NOTES:

- IN SOME CASES, THE TOTAL VALUE OF PERMITS SHOWN IN THIS REPORT IS LESS THAN ACTUAL BECAUSE OF INCOMPLETE REPORTING BY MUNICIPALITIES.
- Although the results of the Building Permit Survey are often used as a leading indicator of building activity, they do not represent the total construction activity in the province because not all areas report and some large projects do not require a permit.
- Figures shown under the Regional District name as RDR apply to unincorporated areas.
- A dash indicates either a nil report or a value of less than \$500.

### ABBREVIATIONS:

C - City      VL - Village      DM - District Municipality      T - Town      IM - Island Municipality  
RDR - Regional District Residual
