BC Stats Product Descriptions

RELEASES:

Current Statistics — Monthly

This release lists the latest monthly and annual data on the labour force, consumer price index, production, and other important economic indicators.

Business Indicators — Monthly

Provides a range of up-to-date economic and financial data, including production and shipments for British Columbia's major industries.

Consumer Price Index — Monthly

Price trends in British Columbia, Vancouver and Victoria for various categories of consumer spending. Includes historical summaries and comparisons with major Canadian cities.

Exports (B.C. Origin) — Monthly

British Columbia exports to major trading partners and blocs. Exports of more than 50 selected items to the U.S.A., Japan and the European Union are included.

Tourism Sector Monitor (formerly Tourism Room Revenue) — Monthly

Revenues received from room rentals by type of accommodation, with a geographic breakdown by development region, regional district, and selected urban areas.

Earnings and Employment Trends — Monthly

A comprehensive look at the labour market in B.C., providing sectoral analysis of the B.C. labour force and its wage structure.

Labour Force Statistics — Monthly

A monthly summary of labour force conditions, showing employment and unemployment by age, sex, occupation and industry, with regional breakdowns.

Population Highlights — Quarterly

This release provides detailed current information on population flows between British Columbia and other provinces/territories and the rest of the world, as well as other components of population change. Also, a feature article provides additional analysis on a topic of interest related to migration or immigration issues.

Quarterly Regional Statistics — Quarterly

Organized by region, and features current monthly and quarterly economic data. Includes charts and tables. Approximately 240 pages.

PUBLICATIONS:

Manufacturers' Directory — Annual

This publication details approximately 4,800 manufacturers, including employment size, commodities produced, export status and a contact name and address.

Socio-Economic Statistical Profiles — Annual

Individual profiles for many subprovincial geographies. Includes tables and charts covering population growth, ethnic identity, migration, family structure, labour market, income, unemployment, social assistance, crime, alcohol consumption, education and health. Available on our website

Community Facts — Semi-Annual

Provides, for each municipality and regional district, a three-page compendium of statistics comparing local data to that of the province. Some text, tables and charts. Also available on our web site.

B.C. Provincial Economic Multipliers — Occasional

Provides output, GDP, employment and government revenue multipliers for B.C. for several different scenarios, and instructions for their correct application. Current version released in March 2008, based on 2004 B.C. Input Output Model. A PDF version is available from our web store.

Community Profiles — Continuously updated

This series of 28 documents combines a wide array of statistical information gathered from many sources, and provides a comprehensive demographic and economic profile for each Regional District. Each profile comes in a 3-ring binder, containing 200–400 pages of documentation, maps and data, providing a wealth of information in one convenient place.
